### *From My Heart to Yours...*

I love the Advent season. It is a time of new beginnings, as the church year begins on December first. It is a time of beauty, as our town is covered in white lights and store windows are decorated in bright colors. It is a time of tradition, as our Moravian star and Love Feast remind us of who we are. It is a time of waiting, as we light a candle each week for the promise of HOPE, PEACE, JOY, LOVE, and as we light the CHRIST candle on Christmas Eve when our waiting is finally over. It is a time to share the story of a baby born in a manger with our children, so that they can know in their hearts the real meaning of this special moment. It is a time that frames the rest of our year in hope! I love the Advent season. But even though it is a busy time, I pray that you will take the time to listen to what God really wants from us this Christmas- JOYFUL worship, to LOVE our neighbor, have PEACE in your households, and never lose HOPE in the God who is with us in every season!
