Life Together

“Then their eyes were opened and they recognized him”-

Luke 24: 30-31

Hasn't that been the purpose of this Lenten journey- to open our eyes and recognize him in our lives? Look at the birds. God provides food and water and cares for them. Look at the plants. God doesn't forget the flowers and gardens. God adorns them with color and makes our gardens grow. God sees the birds and plants. How could God possibly forget us? This month is a time to take a cue from the birds and sing a song of praise. Take a cue from the flowers and trees and witness to God's new creation- spring after a long winter! And may we open our eyes and see new life in a resurrected Lord!
